---

\*\*\* TIP Administrative Modifications as compared to Amendments are summarized on the last page

## TIP Request Determination:

### \*\*\*Administrative Modification Request OR TIP Amendment

Administrative Modification	Amendment
Revision of a project description that does not significantly change the project design concept and/or scope	(1) Major changes to a project, including the addition or deletion of a project or a significant change to the project's scope (e.g. unexpected drainage requirements or major changes to the design cross-section)
Minor changes to project/project phase costs applying to R/W, UTIL, ENG and CONST <ul style="list-style-type: none"> <li>Funding changes are limited to \$600,000 for projects with total costs of <math>\leq</math> \$3,000,000</li> <li>For projects <math>\geq</math> \$3,000,000 an administrative modification is warranted when the change in total costs is <math>&lt;</math> 20%</li> </ul>	(2) Major changes in project cost, project/project phase initiation dates or a major change in design concept or design scope <ul style="list-style-type: none"> <li>Funding changes that are greater than \$600,000 for projects <math>\leq</math> \$3,000,000</li> <li>Change of 20% or more for projects <math>\geq</math> \$3,000,000</li> </ul>
Minor changes to funding sources of previously included projects that do not affect fiscal constraint	(3) Major changes to funding sources, such as adding a new federal funding source for a project NOT previously funded with federal funding
Minor changes to project/project phase initiation dates as long as the project stays within the approved TIP timeframe and does not affect fiscal constraint <a href="#">23 CFR 450.330(a)</a>	
A change in the project's implementing agency	
A split or combination of individually listed projects; as long as cost, schedule and scope remain unchanged	
The addition or deletion of projects from grouped project (line item) listings as long as the total funding amount stay within the guidelines in number two above.
